

HOWL (Helping Others While Learning)

"Reaching for the Stars, Helping others along the way"

Vision Statement

The vision of HOWL is to create a community of civic-minded lifelong learners.

Mission Statement

The mission of HOWL is to address community needs and academic goals while instilling students with a sense of community responsibility.

Teacher Goals

To be the encouraging agent for service-learning by

- Acting as a liaison between faculty, community partners, and students.
- Providing resources for faculty, community members, and students.
- Engaging in faculty development.
- Creating a mutually beneficial relationship between the campus and community.
- Developing a basic organizational plan.
- Implementing an assessment tool and gathering data
- Articulating the opinions and considering the advice of the HOWL Operational Team
