

William Smith, Ph.D.

Dr. Smith is an Associate Professor of Mathematics and the Director of the Mathematics Department at the University of North Carolina at Charlotte. He received his Ph.D. from the University of North Carolina at Chapel Hill in 1998. He has been a member of the American Mathematical Society since 2000. He has published several papers in the field of algebraic geometry and has been involved in several grant projects. He is currently working on a project related to the geometry of moduli spaces.

David Williams, Ph.D.
